

care PLUS[®] Bio Ticks-2-Go

Have you been in nature? Check yourself and each other for tick bites!

If you have been bitten, it is very important to remove the tick correctly. Do this within 8 hours. You can easily remove a tick with the Care Plus[®] Bio Ticks-2-Go. This exclusive tick remover made from bio-based plastic has 2 different openings to remove a tick. Grab the tick directly behind the head and simply drag or scoop it away.

With the Care Plus[®] Bio Ticks-2-Go, you can effortlessly remove even the most strongly bitten tick in its entirety, including head and legs. This tick remover does not exert any pressure on the tick, so squeezing or ripping off the tick is a thing of the past. The Care Plus[®] Bio Ticks-2-Go is easy to take along on your key ring, so it is always within reach.

IN SHORT

- Made of bio-based plastic
- Removes ticks quickly and safely with just a simple sliding motion
- Prevents squeezing or ripping off the tick
- Removes all ticks, large and small
