

On the way to work, while shopping, when exiting public restrooms, at a playground or anywhere else; Care Plus® Handy Wash Wipes help you feel fresh and clean. Use the damp washcloths to clean yourself or your surroundings.

Care Plus® Handy Wash Wipes do not leave a sticky feeling on the skin, are pH neutral and dermatologically tested. They are plastic-free and 100% biodegradable. After use, close the package and dispose of the used wipe in the waste garbage can. Do not flush down the toilet.

With the products of Care Plus® you are assured of optimum hygiene at all times. Our hygiene products are handy, lightly packed and optimally tailored to the wishes and needs of travelers but also for people at home.
