

# CARE PLUS<sup>®</sup>

FIRST AID  
Baby & Kids  
INSECT BITE GEL

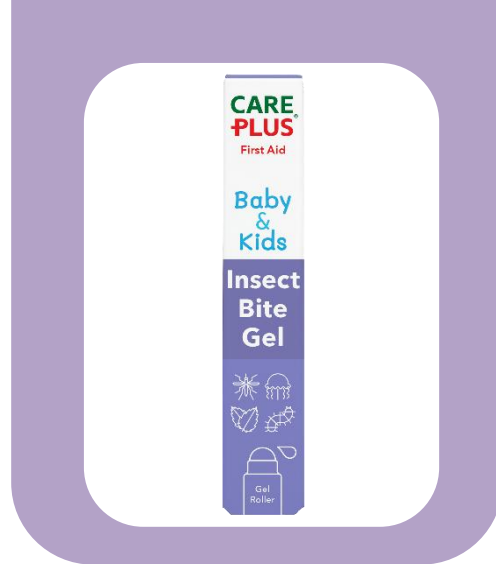

**Care Plus<sup>®</sup> Baby&Kids Insect Bite Gel Roller** with SymCalmin<sup>®</sup> provides effective relief and care for sensitive children's skin after insect bites or stings, oak processionary caterpillar hairs, jellyfish stings, and nettles. The formula has been specifically developed for children and babies from 0 years of age and can be easily applied with the convenient soft roller.

**Directions for use:** Apply a thin layer on and around the affected area and allow to dry. Repeat as necessary.

**Warnings:** For external use only. Avoid contact with eyes, mouth, open wounds, and mucous membranes. Keep out of reach of children. Do not use in case of allergy to any of the ingredients. Consult a doctor if the symptoms of the bite or sting persist or worsen.
